SAI KEERTHIKA V

Data Analyst | Artificial Intelligence Engineer
Coimbatore, Tamil Nadu | 9789746174 | saikeerthika88@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

B. Tech Artificial Intelligence and Data Science student with hands-on experience in Artificial Intelligence, Machine Learning, Python, Data Analysis, and AI-powered application development through internships and academic projects. Experienced in developing AI-based applications, autonomous drone automation, GPS-based navigation, and web development solutions. Strong problem-solving and analytical skills focused on building practical and scalable intelligent solutions. Seeking entry-level opportunities in AI/ML Engineering and AI Engineering.

TECHNICAL SKILLS

- **Programming**: Python, C, C++, R, Java
- **AI / ML Concepts**: Supervised & Unsupervised Learning, SVM, Decision Tree, K-Means, NLP, Prompt Engineering, Generative AI
- **Data/Statistics**: Descriptive & Inferential Statistics, Hypothesis Testing
- **Web Development**: HTML, CSS, JavaScript, Front-End Development
- **Database**: MySQL (Basics), Mongo DB
- **Libraries/Tools**: Pandas, Numpy, Scikit-learn, Tensor Flow (Basics), Matplotlib, Seaborn
- **Others**: Git, VS Code, Microsoft Excel, PowerPoint
- **KEY COMPETENCES**: Problem Solving, Analytical Thinking, AI/ML Application Development, Data Analysis, Automation, Team Collaboration

PROFESSIONAL EXPERIENCE

Data Mites **Present**
Artificial Engineer Intern
- Develop hands-on skills in Python, machine learning, deep learning, NLP, computer vision, and generative AI.
- Apply industry-relevant AI/ML techniques to practical artificial intelligence and machine learning projects.

Code Alpha **Jul 2025 - May 2026**
Artificial Intelligence Intern
- Built AI-based applications, including a language translation tool, FAQ chatbot, music generation model, and real-time object detection system.
- Applied artificial intelligence, machine learning, and deep learning concepts to practical application development.
- Worked on AI model development, real-time object detection, chatbot development, and intelligent application solutions.

Code Binding **Dec 2025 - Jul 2025**
AI & Machine Learning Intern
- Worked on Artificial Intelligence and Machine Learning concepts, focusing on practical model development.
- Participated in AI/ML development tasks and weekly technical reviews to improve model understanding and implementation.
- Applied problem-solving approaches to develop and evaluate machine learning solutions.

Next Logic **Sep 2024 - Dec 2025**
Web Development Intern
- Developed and integrated frontend modules using HTML, CSS, and JavaScript.
- Worked on responsive web interfaces, frontend development, and user-facing application components.
- Gained practical exposure to real-world web development workflows and software development practices.

IOC Training **Sep 2024**
AI/ML Cloud Deployment
- Gained hands-on exposure to Machine Learning model deployment on cloud platforms.
- Learned the fundamentals of AI/ML deployment, cloud-based model implementation, and deployment workflows.
- Explored the process of moving machine learning solutions from development to cloud environments.

PROJECTS

Autonomous Drone Delivery System
- Developed an automated, GPS-enabled autonomous drone system using real-time latitude and longitude navigation.
- Implemented autonomous navigation and an automated delivery workflow, enabling the drone to follow predefined GPS coordinates.
- Presented the project at the SAEINDIA Autonomous Drone Development Challenge and demonstrated its autonomous delivery workflow.

EDUCATION

Coimbatore Institute of Engineering and Technology **2023 - Present**
B. Tech, Artificial Intelligence and Data Science
• **GPA:** 7.52/10

Bharani Park Matric Hr. Sec. School **2022 - 2023**
Higher Secondary Certificate (HSC)

Bharani Park Matric Hr. Sec. School **2020 - 2021**
SSLC

CERTIFICATIONS

• Python Fundamentals: Infosys Springboard
• Machine Learning: Infosys Springboard
• Computer Vision: Infosys Springboard

LANGUAGES

• Tamil
• English
• Telugu
